

INDEPENDENCE DAY CELEBRATIONS-2025

Brief Introduction

Good morning everyone,

Today we have gathered here to celebrate the 79th Independence Day of our great nation.

Independence Day is a proud occasion that reminds us of the sacrifices made by our freedom fighters and leaders, who gave us the gift of freedom on 15th August 1947.

This celebration is not just about remembering the past, but also about renewing our commitment to work for the progress and development of our country. As students, teachers, and responsible citizens, it is our duty to uphold the values of unity, integrity, and hard work to make India stronger and more self-reliant.

Let us celebrate this day with pride, respect, and a promise to contribute towards the bright future of our nation.

Good morning everyone,

It gives me immense pleasure to welcome you all on this auspicious occasion of our nation's 79th Independence Day. Today, as we gather here at our Polytechnic College to celebrate this historic day, we remember with pride the sacrifices of our great freedom fighters who gifted us the privilege of living in a free and democratic India.

Independence Day is not only a reminder of our glorious past but also a call for us to contribute towards building a stronger, progressive, and self-reliant nation. This year, as India continues to advance in technology, education, and innovation, it is our responsibility as educators and students to align ourselves with the vision of a developed India by 2047.

I congratulate all the staff, faculty, and students for coming together to celebrate this day with enthusiasm and patriotism. Let us take inspiration from our tricolor, which stands for peace, progress, and prosperity, and dedicate ourselves to shaping a brighter future for our country.
